Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Tuesday 28 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A showery start, but soon becoming cloudier with rain.

Today:
Sunny spells and scattered showers to start, but soon turning cloudier and windier through the morning as a band of rain, heavy at times, moves across the region. A wet, cloudy and breezy afternoon. Feeling cooler. Maximum temperature 15 deg C (59 deg F).

Tonight:
Rain clearing to scattered showers through the evening. Showers persisting overnight, mainly in the south and west, with some clear spells. Breezy. Minimum temperature 8 deg C (46 deg F).

Wednesday:
A mixture of sunny spells and scattered showers on Wednesday. Showers becoming fewer and further between for the afternoon. Feeling cool. Maximum temperature 14 deg C (57 deg F).

Outlook for Thursday to Saturday:
Staying unsettled through the outlook with spells of rain and strong winds interspersed with sunny spells and showers.
